AIMS AND SCOPE

Current Research in Dental Sciences (Curr Res Dent Sci) is an international, scientific, open access, online-only periodical published in accordance with independent, unbiased, and double-blinded peer-review principles. The journal is published quarterly in January, April, July, October. The publication languages of the journal are Turkish and English.

Current Research in Dental Sciences aims to contribute to the literature by publishing manuscripts at the highest scientific level on all fields of dentistry. The journal publishes original articles, invited reviews, rare case reports, and letters to the editors that are prepared in accordance with ethical guidelines. The scope of the journal includes but not limited to periodontal diseases, dental implants, oral pathology, oral and maxillofacial surgery, endodontics, oral diseases, restorative and esthetic dentistry.

The target audience of the journal includes specialists, researchers and professionals who are working and interested in the field of dentistry and related disciplines.

Current Research in Dental Sciences is currently indexed in DOAJ, EBSCO, TUBITAK ULAKBIM TR Index and China National Knowledge Infrastructure (CNKI).

The editorial and publication processes of the journal are shaped in accordance with the guidelines of the International Committee of Medical Journal Editors (ICMJE), World Association of Medical Editors (WAME), Council of Science Editors (CSE), Committee on Publication Ethics (COPE), European Association of Science Editors (EASE), and National Information Standards Organization (NISO). The journal is in conformity with the Principles of Transparency and Best Practice in Scholarly Publishing (doaj.org/bestpractice).

All expenses of the journal are covered by the Atatürk University. Processing and publication are free of charge with the journal. No fees are requested from the authors at any point throughout the evaluation and publication process. All manuscripts must be submitted via the online submission system, which is available at https://dentistry-ataunipress.org/. The journal guidelines, technical information, and the required forms are available on the journal’s web page.

Disclaimer
Statements or opinions expressed in the manuscripts published in the journal reflect the views of the author(s) and not the opinions of the editors, editorial board, and/or publisher; the editors, editorial board, and publisher disclaim any responsibility or liability for such materials.

Open Access Statement
Current Research in Dental Sciences is an open access publication, and the journal’s publication model is based on Budapest Access Initiative (BOAI) declaration. All published content is available online, free of charge at https://dentistry-ataunipress.org/. Authors retain the copyright of their published work in the Current Research in Dental Sciences. The journal’s content is licensed under a Creative Commons Attribution-Non-Commercial-NoDerivatives (CC BY-NC-ND) 4.0 International License which permits third parties to share the material for only non-commercial purposes by giving the appropriate credit to the original work. Adaptation and modification of the material is not permitted.

From January 2022 onwards, content is licensed under a Creative Commons CC BY-NC-ND 4.0 license. The journal’s back content was published under a traditional copyright license however the archive is available for free access.
