Current Research in Dental Sciences

AIMS AND SCOPE

Current Research in Dental Sciences (Curr Res Dent Sci) is an international, scientific, open access, online-only periodical published in accordance with independent, unbiased, and double-blinded peer-review principles. The journal is published quarterly publication in January, April, July, October. The publication languages of the journal are Turkish and English.

Current Research in Dental Sciences aims to contribute to the literature by publishing manuscripts at the highest scientific level on all fields of dentistry. The journal publishes original articles, invited reviews, rare case reports, and letters to the editors that are prepared in accordance with ethical guidelines. The scope of the journal includes but not limited to periodontal diseases, dental implants, oral pathology, oral and maxillofacial surgery, endodontics, oral diseases, restorative and esthetic dentistry.

The target audience of the journal includes specialists, researchers and professionals who working and interested in the field of dentistry and related disciplines.

Current Research in Dental Sciences currently indexed in TUBITAK ULAKBIM TR Index

The editorial and publication processes of the journal are shaped in accordance with the guidelines of the International Committee of Medical Journal Editors (ICMJE), World Association of Medical Editors (WAME), Council of Science Editors (CSE), Committee on Publication Ethics (COPE), European Association of Science Editors (EASE), and National Information Standards Organization (NISO). The journal is in conformity with the Principles of Transparency and Best Practice in Scholarly Publishing (doaj.org/bestpractice).

Disclaimer

Statements or opinions expressed in the manuscripts published in the journal reflect the views of the author(s) and not the opinions of the editors, editorial board, and/or publisher; the editors, editorial board, and publisher disclaim any responsibility or liability for such materials.

Open Access Statement

Current Research in Dental Sciences is an open access publication, and the journal's publication model is based on Budapest Access Initiative (BOAI) declaration. All published content is available online, free of charge at dentistry-ataunipress.org. The journal's content is licensed under a Creative Commons Attribution-NonCommercial-NoDerivatives (CC BY-NC-ND) 4.0 International License which permits third parties to share and adapt the content for non-commercial purposes by giving the appropriate credit to the original work.
